**SUNWAY MULTICARE PHARMACY REBRANDS MORE THAN 100 STORES NATIONWIDE**

Cheras, Selangor, 19 August 2022 – Sunway Multicare Pharmacy has launched a new visual identity to mark the completion of its rebranding exercise following the merging of Sunway Pharmacy and Multicare Pharmacy. The rebranding of more than 100 physical outlets of the pharmacy chain throughout the country come after the acquisition of Multicare Pharmacy by Sunway Group last year.

Post-acquisition, it had grown from a single outlet in Cheras to become one of the leading pharmaceutical retailers in Malaysia. Led by a knowledgeable and experienced management team, Sunway Multicare Pharmacy outlets have now successfully expanded to more than 100 stores nationwide.

Leveraging the combined expertise of Multicare’s operational and pharmaceutical expertise as well as Sunway’s comprehensive information technology digitalisation platform, the acquisition has enabled Sunway Multicare Pharmacy to

enhance and boost its available health and wellness services. As of August 2022, we are offering a wider selection of pharmaceutical products at competitive prices.

In line with Sunway Multicare Pharmacy’s rebranding efforts, a host of digital initiatives have been implemented to enhance the accessibility of its services such as physiotherapy online consultation, online shopping, loyalty programme, rehabilitation equipment rental and drive-through services. We remain committed to providing the best healthcare options for our customers through an atmosphere of professionalism, respect and effective communication that continuously improves the quality of life of our customers.
